~ We strive to give our students excellence in dance training, because we are performing for the most high King and He deserves the best that we can give! Although technical training is very important to us, the most important thing is teaching our students that worship is a lifestyle, a way they live their lives each and every day. Through our devotional times in class, we want to help our students grow and mature in their relationships with the Lord.

*"I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service." Romans 12:1*

# Celebration Ministry of Arts

School of Dance opened in the fall of 1996 with the desire of cultivating the heart of a worshiper in each student as well as train up teachers and ministers of the arts. Our goal is to glorify the Lord by pursuing excellence in dance training within a Christ-centered environment. Training at CMA provides instruction in basic ballet technique, interpretive movement and dramatic expression. Our classes also include a devotional time in prayer, the Bible, and inspirational stories of great Christians. We pray this helps our students to further develop their relationship with the Lord Jesus. One of the highlights of the 12 week session is a dance concert, which reflects the two aspects of our ministry: worship and outreach.
